Concerning excavation on non-customer property:

Apex Plumbing Inc. is contracted to perform sanitary sewer service line repairs/replacement for your neighbor, _____, located at _____ . To affect this repair, it is required that we gain access to your property due to the current location of the sanitary sewer line. It is not possible for us to make the repairs solely from our customer's property.

Therefore, we request your permission for access. This work may require us to remove/reinstall existing fence sections as needed, excavate on your property, store dirt during excavation, and/or remove/reinstall existing landscaping and repair any severed sprinkler lines as needed. We are licensed, bonded and insured with all necessary jurisdictions involved with this specific sewer service. We are fully equipped to make the necessary repairs in a deliberate, professional, and timely manner.

Please sign and date below as documentation of your approval in granting access to your property for this utility repair. By signing below, you agree to cooperate with the timing of this repair, you agree to cooperate with our manner of executing this repair which is to be done in compliance with the City's and/or District's specifications, and you agree to allow the utility locating companies to come out and mark this area prior to excavation to ensure safe excavation for our crews. Please fill out the information below in order for us to contact you with the schedule date for the repair.

We thank you in advance for your cooperation. Please contact us at the office at (303) 215-1348 if you have any questions or concerns.
